

## MASTER City White CDO- TT 150W/828 E40 SLV

Product familie omschrijving  
Product Description High-intensity discharge lamps with a CDO discharge tube (derived from a CDM burner) inside a SON clear tubular outer bulb

### Product Features

- Robust lamp with long lifetime
- Directly retrofit on HPS (SON) installations for upgrade from yellow to white light
- Good colour rendering and harmonized warm white colour temperature

### Product Benefits

- Reduced cost of ownership compared to predecessor MASTER Colour City CDM- TT
- Comfortable warm colour impression with stable colour over lifetime
- Flexible light levels and reduced energy consumption possible via dimming option
- Upgrade for existing HPL installations with gear exchange

### Betere keuze vanuit milieuoogpunt vanwege hogere efficiëntie

- Dit product voldoet aan de RoHS wetgeving (70W uitgezonderd)

- Dit product is WEEE plichtig

### Application

- City centres, shopping centres and pedestrian areas, residential areas, road lighting and floodlighting

### Luminaires

- In the highly unlikely event of lamp breakage by incorrect use, vandalism or end of life effects, the luminaire housing should be able to contain heated glass, metal and/or ceramic particles

### System

- Must be used with a SON ballast and SON ignitor
- Warm restart time can be up to 15 minutes. T15 ignitors are therefore advised
- Dimming only possible with electronic gear, DynaVision 1- 10V
- Achieves optimal performance on Philips PrimaVision electronic gear
